

2010 Junior Golf Summer Program

\$475.00

(hst not included)

Registration

Registration for the 2010 Junior Golf Summer Program is now underway for last years participants. Last years participants will have their spots secured until April 15, 2010. Starting April 16, 2010 we will fill all remaining spots from the waiting list.

Waiting List

Waiting list priority will be given to: 1) Participants of other 2009 Glendenning Junior Golf Programs. 2) Children of Glendenning Golf Members. 3) Order on waiting list.

Format

Our 2010 Summer Program is an eight-week program that provides instruction and playing privileges at Glendenning and The Willows for Junior's age 10-18. Each week, participants receive 3 hours of in-depth Professional Instruction. Junior Program participants will also be able to book golf 7 days a week as per the guidelines detailed under Playing Privileges. Along with building golf skills, a major emphasis will be placed on life skills such as etiquette, manners and respecting others. Using "**Please and Thank You**" will be as important as learning the mechanics of the golf swing.

Needs Assessment

Our instructional system ensures participants will receive Professional Instruction based on their specific skills/needs, whether a new, experienced or competitive golfer. At the start of the program, our team of Golf Professionals will assess each person's skills, goals and commitment level. Using this assessment, participants will be assigned to the program that best meets their needs. Throughout the season, each student will be carefully monitored to ensure skills and goals development.

Group 1

This program focuses on introducing full swing and short game techniques, safety practices, golf etiquette and basic rules of play. Golfers will also participate in fun-based tournaments and skills competitions.

Group 2

This program focuses on enhancing and developing full swing and short game techniques. Golf etiquette and common use rules will be discussed and applied under real and simulated game conditions. Golfers will also participate in fun-based tournaments and skills competitions. Golfers will also learn to diagnose their own problems and implement proper remedies to correct them.
