Designed for kids with some previous experience in golf. We recommend participants have attended FUNdamentals Junior Golf, or have some golfing exposure before enrolling in this program. Our primary focus is creating a safe environment for learning. This fun two week program focuses on developing and expanding on golf-specific movement skills and knowledge already learned through FUNdamentals. Our multi-station learning system ensures kids are exposed to a variety of skills and drills daily so they remain enthused, entertained and challenged. Dates for Golf Outing and Skills Competition will be announced later.

Cancellation Policy Due To Inclement Weather

In the case of inclement weather the golf course will decide one hour before the scheduled start of the program whether or not it will proceed. The responsibility is on the participant to call the golf course or check the web site for information. At this time a rescheduled time will be issued. **Refunds will not be issued for people who miss rescheduled times.**
