

2018 Junior Golf Membership

Format

Our 2018 Junior Membership provides playing privileges at Glendenning and The Willows for the **entire** 2018 season, along with an eight-week instructional program. During these eight weeks, participants will receive 2 hours per week of in-depth Professional Instruction. Junior Program participants will also be able to play golf 7 days a week as per the guidelines detailed under Playing Privileges. Along with building golf skills, a major emphasis will be placed on life skills such as etiquette, manners and respecting others. Using "**Please and Thank You**" will be as important as learning the mechanics of the golf swing.

Needs Assessment

Our instructional system ensures participants will receive Professional Instruction based on their specific skills/needs, whether a new, experienced or competitive golfer. At the start of the program, our team of Golf Professionals will assess each person's skills, goals and commitment level. Using this assessment, participants will be assigned to the program that best meets their needs and ability. Throughout the season, each student will be carefully monitored to ensure skills and goals development.
