## ***BECOME A CORPORATE SPONSOR***

*Addiction is growing in Newfoundland & Labrador and drugs and alcohol destroy families and put communities at risk.*

Teen Challenge is a 12-month in-residence alcohol and drug addiction rehabilitation program with centres located across Canada. We offer help and hope to those struggling with alcoholism and/or addiction to other drugs.

With your help we can provide the addicted women in our province with a structured program that restores families destroyed by addiction.

Your sponsorship helps to cover the cost of our Golf Classics, so more funds raised by our golfers can go directly to supporting the new Atlantic Hope Women's Centre in St. John's, NL.
