

Re: 2019 Golf Classic – St. John's

We are very excited to be announcing our annual Golf Classic to be held at Glendenning Golf Course on Thursday September 12th, 2019.

With the drug epidemic on the rise, we see more and more women who are impacted by life controlling addictions, but we believe that there is HOPE! Teen Challenge Canada has opened the Atlantic Hope Women's Centre here in the province of Newfoundland & Labrador to help bring that hope to those struggling with substance abuse issues. Guided by professionally trained staff, our 12 month residential program includes work therapy, accredited addiction counselling, life skills training and community engagement. The various aspects of the Teen Challenge program will help assist women in learning how to form healthy relationships and become contributing members of their community.

It is with great pleasure that I extend an opportunity to you to join us in this fight against addiction! There are several ways that you can get involved:

1. **Register and Fundraise!** Join us for an incredible day of golf at Glendenning Golf Course. To register and fundraise, visit www.tcgolfclassic.ca and choose the St. John's Glendenning location.
2. **Corporate Sponsorship!** We would like to invite you to consider becoming a Corporate Sponsor of this event. There are several tiered options for you to consider. Please find one that best suits you.
3. **Donate To Our Silent Auction!** Do you have an item available for donation that would make a wonderful auction prize? All proceeds from our silent auction will go directly to the Atlantic Hope Women's Centre!
4. **Lunch Only!** If you are not a golfer, consider joining us for a delicious catered lunch and program at the golf course. Purchase a ticket by contacting myself or our Development Coordinator at rebecca.grimes@teenchallenge.ca.

I would welcome the opportunity to speak with you further about any of these options. Your partnership would be greatly appreciated and would have a tremendous impact on the lives of women in our program.

Sincerely,
